### EASINGTON VILLAGE PARISH COUNCIL CEMETERY & GROUNDS MEETING

SEPTEMBER 2025

## AGENDA ITEM

### **Progress Report - SR Allotments Proposed Seating Area**

#### **Background:**

An allotment holder (MV) has kindly offered to install the seating arrangement with materials supplied by the Parish Council.

It will be sited on a cleared patch of land opposite the portacabin and will consist of two benches mounted on block paving / slabs with a small turfed area. The timescale is to be by the end of March 2026. This to allow the benches – which are currently located on the village green – to be replaced with new benches over the winter.

**Proposal:** None – update only
