SEPTEMBER 2025

AGENDA ITEM

No Dogs in Cemetery

Background:

EVPC changed the cemetery rules from 'No Dogs' to 'Dogs on a Lead'.

Since then, it has been noted that certain dog owners are using the cemetery to exercise their dogs, mostly on a lead, but occasionally they have been seen off the lead.

Dogs have been seen urinating against headstones. The cemetery staff find this unacceptable as would the members of the public who own the title deeds to the graves.

Proposal: To implement a strict NO DOGS AT ANY TIME policy in Durham Lane Cemetery.
