Dear Paul,

I hope you're well.

Following our recent conversation, I am writing to formally express my interest in the current vacancy for Parish Councillor for Easington Village.

After careful consideration, I feel this is the right time for me to step forward and offer my commitment to the wider community in a formal capacity. My motivation is rooted in a genuine love for Easington Village and a strong desire to contribute positively to its future. This is not about advancing any organisation or personal agenda, but about serving the village and the people who live here.

Through my community work locally, I have developed practical experience in governance, safeguarding, financial oversight, partnership working and community engagement. I understand the importance of transparency, integrity, and collective decision-making. I am comfortable reviewing budgets, applying for funding/bid writing, considering policy implications, and working collaboratively as part of a team.

I also understand that there is already another candidate standing for this vacancy. Regardless of the outcome, I believe it is important that residents have choice and that those who care deeply about Easington are willing to step forward and serve.

If appointed or elected, I would approach the role with professionalism, fairness and a strong commitment to listening to residents and representing their voices responsibly.

Please let me know if there is any further information you require from me at this stage.

Kind regards,

Claire Dale
