LOCATION FILMING ENQUIRY 2026

February 2026

Dear Resident / Business,

I hope this letter finds you well.

I am writing to let you know that your property has been identified as a potential filming location for a new adaptation of the BBC drama *The Secret Diary of Adrian Mole, Aged 13 & 3/4*, produced by Big Talk Productions.

At this early stage, we are simply exploring whether this opportunity may be of interest to you and whether you would be open to having a conversation about what filming would involve.

The production is currently in pre-production, with filming planned for **April and May**. If your property were selected, filming would typically take place over a limited number of agreed days, with all details discussed and confirmed well in advance.

Should you decide to take part, a location fee would be paid for the use of your property. This fee would be agreed with you directly prior to any commitment. In addition, the production carries substantial public liability insurance, and full documentation can be provided for your reassurance. We take great care to respect locations, and our experienced locations team would be on hand throughout to ensure the process runs smoothly and that your property is fully protected.

If this opportunity may be of interest, or if you would simply like further information with no obligation, please feel free to get in touch using the email address below:

We would be very pleased to hear from you and to answer any questions you may have.
