EVPC 26/27/042 Public Participation

Member of the Public presented Council with concerns regarding Traffic in the Village with a focus of concern in and around Durham Lane. Issues raised included concerns with:

- An increase in traffic speed going through Durham Lane
- Car parking on Durham Lane at all times of the day, school times are a major concern.
- Cars passing on Durham Lane is a concern due to the road being very narrow

Member of Public informed by Council of Roads Working Group and invited to the initial Meeting on 25th June which will cover the area of concern.

RESOLVED: Council to write to DCC to chase up previous request regarding vegetation on the road. Council to write to DCC regarding traffic calming measure and speed reduction enforcement on Durham Lane. Cllr Howard Brown suggests that three separate requests be submitted to DCC via relevant departments.

Report from Durham County Councillors

Cllr Penders and Cllr Brown gave a verbal update on local matters.

I have been trying to chase a date for the traffic management order (yellow lines) to be installed but there is no update on this as of yet.

I will be chasing up the enforcement side of the Sunderland Road development.

A vehicle was damaged on a pothole around the water main on the junction of Sunderland Road/Seaside Lane. This is presumably why the temporary 4-way lights have now been put in place.

All of the road safety campaign meetings are in my diary, and I will be in attendance and assist where possible.

RESOLVED: that the County Councillor Reports for May 2026 be noted and accepted.
